

Miranda Fisher MS, LAT, ATC, PES: Treasurer

Miranda Fisher MS LAT ATC PES, enters her 12th year as an assistant director of sports medicine in 2023-24 and her 13th year overall as a member of the Shippensburg University sports medicine staff.

Fisher is a nationally board-certified athletic trainer with an athletic training license in Pennsylvania and is a member of the National Athletic Trainers' Association (NATA), Eastern Athletic Trainers' Association (EATA), Pennsylvania Athletic Trainers' Society (PATS).

She is also a certified Performance Enhancement Specialist (PES) through the National Academy of Sports Medicine (NASM). In 2019, Fisher completed a Group Crisis Intervention Training in conjunction with the Critical Incident Stress Management Program (International Critical Incident Stress Foundation) and serves on Pennsylvania's ATs Care team.

Currently, Fisher is the chairperson for the Department of Athletics Mental Health and Wellness Committee. She served on the Pennsylvania State Athletic Conference (PSAC) Athletic Training Mental Health Management Planning Committee in 2017-18.

Additionally, Fisher is the current treasurer for the Pennsylvania Athletic Trainers Society (PATS) and a Shippensburg University Student-Athlete Welfare Committee member.

Fisher serves as the Mental Health Liaison between athletics and the SU Counseling Center, which includes development and annual review of the mental health referral plan and planning mental health education for the student-athletes and department.

Fisher serves as an advisor for OneSHIP which is a diversity equity and inclusion student-athlete group. Fisher is as the advisor to Tau Kappa (TK), a service honors sorority for female student-athletes. One of TK's most successful ventures is Project Prom Dress, an event designed to ease the financial burden on teen girls in local areas that want to attend their high school formals. TK has partnered with the Boys and Girls Club of Shippensburg for a Girls and Women in Sports Day event for each of the last three years.

Fisher earned a bachelor's degree in athletic training in 2010 from Lock Haven University along with a minor in sports and exercise psychology.

In December 2011, Fisher earned her master's degree in exercise science and health promotion with a concentration in sports psychology from California University of Pennsylvania.

After graduating from Lock Haven, Fisher spent a year working at Virginia Commonwealth University as an athletic training intern.
